# Electro-Equiscope

## Pain Free Electrically!

*"Every time I use the Equiscope I see a noticeable difference! I am able to hold balance stronger and I am faster on the court..."*

- **Lauren Fendrick**,  
2016 USA Olympian

*"The Equiscope has proven its utility by removing inflammation, the root cause of all disease. I highly recommend it."*

- **Stephen Sinatra, MD** Cardiologist

*"After my first treatment, I was amazed, the pain in my knee was gone."*

- **Daniel Amen, MD** Psychiatrist

*"The technology is amazing and makes me a better physician"*

- **Richard Delany, MD** Cardiologist & Internal Medicine

*"After my ACL injury, I was game ready in half the time."*

- **Darren Sproles**, Philadelphia Eagles

*"Riding like a kid again... Rode two, won two!"*

- **Gary Stevens**, Hall of Fame Jockey

*"I'm faster and better than ever!"*

- **Branden Oliver**, San Diego Chargers

**Stephen Sinatra, MD**

**Daniel Amen, MD**

**Richard Delany, MD**

**Darren Sproles**

**Gary Stevens**

**Branden Oliver**

# Join the New Wave of Medicine

*"You may owe it to your patients to investigate this non-invasive modality. It may be the better alternative to drug medication and surgical procedures in pain control regimen."*

- John Thorp, Founder & CEO

John Thorp

The Electro-Equiscope represents a major advance over other commercially available electrical stimulators. It can improve quality of care as well as your bottom line.

The Equiscope is frequently used for:

- Sports Injury
- Back or Neck Pain
- Acute/Chronic Pain
- Joint Injury
- Ligament Injury
- Sciatica
- Fibromyalgia
- Headaches
- Migraines
- Muscular Strain
- Sprains/Swelling
- Neuropathy

# Reliability

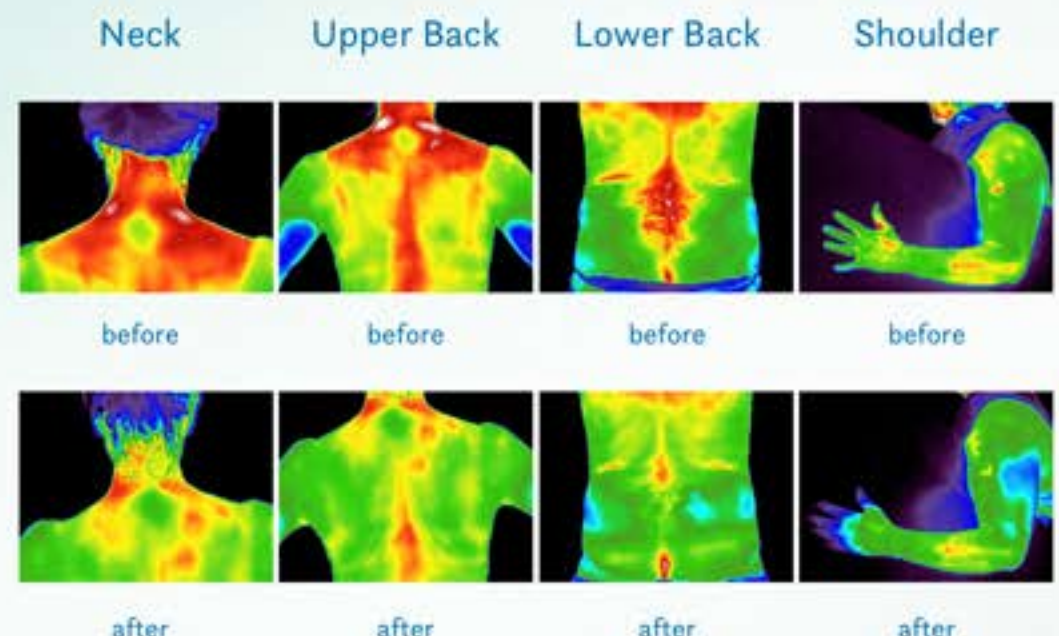

Built for continuous professional use. Rigid manufacturing standards assure trouble-free reliable performance. Protected by a full one-year warranty. Extended maintenance contracts available.

# A Complete Microcurrent Clinic

The Electro-Equiscope instrument comes with hand-held electrodes, placement electrodes, accessory attachments, electrolyte, battery charging unit, manuals and unlimited group technician and online training.
